1. **Welcome!** Thank you so much for coming today to hear about how your health could have a Complete Transformation! I believe you will find this information very educational; something you will share with your loved ones, which will help us to fulfill our mission to “Inspire Healthy Living around the World”!
2. I’d like for us to go around the room and introduce yourself by name and tell us what your **#1 health challenge is**....Nutrition, Exercise, Sleep, or Stress Reduction. We all have challenges that we would like to overcome, so I’m going to share mine with you first. _____ You see, Health is a Journey, not a destination....one day at a time! (Listen) Thank you for your transparency! As you can see, we all are learning and searching for a better tomorrow!
3. On your first sheet, you will see a **questionnaire** for our JP Effect Program that will ask customers after being on the products after 90 days. These are some of the subjective results you too could have by adding JP to you daily regime. Turn the page over and let’s read some encouraging **comments from moms**.
4. Now let’s look at the **National Statistics** of our countries “State of Sickness”. It’s not great news, but I promise you will leave with hope today.
5. We know our JP CT plan will nourish every cell in the body. You will look and feel better than ever before. It works because it is food. I have personally been eating JP+ and Complete every day for ___ years. ***Tell your story.*** But, when I started CT (adding two Shakes/day) I couldn’t believe that I **lost belly fat, was completely satisfied between meals and lost my cravings for sugar AND salt!** It is amazing! (Share your results) We can all do this together! It is ***Simple!***
6. We are going to listen to Dr. Jan Roberto as she explains Juice Plus and Complete so we ***understand the value*** of these whole food concentrates, Healthy Fast Food. **Watch Webinar.**
7. Turn over the Stat page and let’s review **The JP CT Program**. It consists daily of 2 JP Complete shakes and the JP+ trio, OGV. What is really great is that as a preferred customer, your order will come with a 4 month supply, but you only pay a month at a time. ***Convenient!***
8. So you may be wondering:
Is this a detox program? No, but you may detox.
Is this a weight loss program? No, but you may drop some pounds.

Do you have any **questions?**
